PURCHASE AGREEMENT

_____ (PURCHASER) is placing this purchase order for the system specified in the Hi-Tech Metrology Products Quote# _____ (QUOTE) with the understanding that there will be no guaranteed support following the delivery of the order.

The PURCHASER further understands that:

1. The PURCHASER is completely responsible for the installation, operation, maintenance and repair of all the components included in the QUOTE including the purchased software. The system (comprised of the components specified in the QUOTE) is pre-assembled, tested, then partially disassembled prior to shipment.
2. Every mechanical and /or electrical aspect of the items specified in the QUOTE is covered by a manufacturer's warranty with the exception of the keypad and software.
3. The manufacturer will service those items specified in the QUOTE that are covered by their respective warranties.
4. A schematic for the keypad specified in the QUOTE, and a parts list giving the manufacturer and distributor part numbers, will be provided to aid the PURCHASER in maintaining the keypad.
5. Source code for the software specified in the QUOTE will be provided and a license will be issued to allow the PURCHASER to modify the software for their use but not re-distribute or re-sell it.

Signed by _____ (PRINT) on the behalf of the PURCHASER
